HEALTH GUARENTEE – We guarantee this puppy to be in sound health & free from communicable diseases at the time of sale & for the following seven (7) days, provided the puppy has not been taken out in public places (due to the possible exposure to parvo before vaccinations are complete). Buyer must have puppy examined by a veterinarian of their own choice within three (3) days of acquiring the puppy. This will benefit both parties, ensuring you are receiving a healthy puppy & that we sold a healthy puppy. Puppies will have been checked by our veterinarian & you will be provided a health record of all shots/deworming. Buyer understands that stress related issues such as coccidia & giardia are common with a puppy moving to a new home & are not cause for a refund of vet bills. Within the 2 (two) year health guarantee should your veterinarian (provide proof) deem the puppy's death due to life threatening congenital defects we will replace the puppy with the next available puppy.
